The members of the Fraternal Union of America will jollificate on the Fourth of July and ask the general public to join with them in the jollification. The doings will be held in the Wilder Grove, opposite the Armory, and will consist of the usual sports suitable for the occasion.

The principal event on the program will be a barbecue. A large cow and a couple of pigs will be roasted on the premises, and the meat distributed free to the public. Everybody is expected to bring their own basket lunch. A fish chowder will also be prepared.

The sports will consist of sack races, three-legged races, potato races, foot races, wheelbarrow races, catching the greased pig, climbing the greased pole, and riding the goat. Liberal prizes will be awarded to the winners of these contests.

A dance will be in progress at the Armory all the afternoon and evening. Good musicians will be in attendance. Some good speller will undoubtedly be engaged to orate.

The general public is invited to be present and take part in the celebration. The committee in charge of the celebration consist of the following: J. M. Osborn, C. M. Bingham, Jr., B. N. Stevens, Edw. Fitzgerald, J. R. Cole, Wm. Bradshaw, and W. S. Edwards. "Let the old eagle scream!"

## TWO DEACONS IN TROUBLE.

Deacons H. A. Walker and Harrison Thompson of the colored Baptist church of Midway are in dire distress. The trouble all happened this way. Deacon Thompson was brought up before the congregation Thursday evening of last week charged with selling whiskey.

Thompson stood up and addressed the company, and was told by the preacher to sit down. This he refused to do. The congregation then voted that he sit down. Still he refused. At this stage Deacon Walker volunteered to knock him down, and started towards Deacon Thompson. Deacon Thompson, however, objected and drew a knife. Then Deacon Walker drew a pistol. The former deacon then ran home after his Winchester. He returned and aimed it at Walker. Bystanders interfered and grabbed both men, but they started to fire at each other. Each fired three shots but they all missed the marks and struck in the walls of the church. Mose Wright, the colored deputy city marshal, then took a fist in the game and a general melee ensued.

The two deacons were arrested and brought before Mayor Parkinson last Saturday and each fined five dollars and costs. After the mayor was through with them they were taken before Justice Williams and he bound them over to the Criminal Court. Deacon Thompson was charged with intent to kill, and his bail fixed at \$500. Deacon Walker's charge was that of carrying a concealed weapon, and his bail was fixed at \$100. Both furnished bonds.

## THREE TIMES AND FAILED.

Alfred Petterphor Thursday for the third time tried to leave this earth by the suicide route, but has in each case failed. The young man has several imaginary wrongs which he thinks can best be righted by his absence. Thursday he obtained a bottle of laudanum somehow and went up towards Kingston. He went to the home of Mr. Jordan and asked for a cup of coffee, saying that he had a fearful headache. This was given him and he left. After his leaving Mrs. Jordan discovered the deadly drug in the cup and immediately spread the alarm. A party started to look for him and found him about seventy-five yards from the road near the old Kingston depot.

Dr. Atwood was immediately sent for and by hard work his life was saved. This is the third time that the young man has tried to make away with himself, the first attempt being made at the Clarendon Inn some time in March. The second attempt was at the City Hotel a few weeks ago. He says he will finally accomplish his purpose, and that the next attempt will be successful.

Petterphor has been in a very sulky mood for some months and it is presumed that his mind is in some way affected. It is to be regretted that he has this suicidal mania, and his friends are talking of having him taken to some specialist and ascertaining what can be done for him.

## THE COUNTY FATHERS.

The County Commissioners of Volusia met Monday evening in regular meeting for June, finishing their work at noon Tuesday. All members were present, with Captain Rodgers of Daytona in the chair. The report of road work shows two miles of shell and clay laid on the Enterprise and Osteen road during the month and repairs made on the DeLeon Springs and Barberville road near Deep Creek. Mrs. Corn Marsh was granted permission to put a fence across the Crows Bluff road, to be erected under the direction of Commissioner Bond.

Two hundred and fifty dollars were appropriated for repairs to the Daytona armory, to be expended under the direction of Commissioner Rodgers.

A petition was received from the citizens of Seabreeze asking for a county road to be laid out from Grand to Halifax avenues, which on motion was referred to Commissioner Rodgers to examine and report at the July meeting, as to the road being in the corporate limits of that town, and therefore not within the jurisdiction of the board. Notary bond of John Spence was presented and approved.

On a petition from the citizens of Ormond, complaining that the county road between Daytona and Ormond was frequently blocked by a sawmill on or close to the road, it was on motion voted that the road known as the "Druid survey" be abandoned, and a committee consisting of James Carnell, J. E. Francis and J. H. King was appointed to mark, view and lay out a county road on the line of the road as laid out and marked some time ago, to report at the next meeting.

At the May meeting the board refused to pay the costs of the coroner's jury in the matter of the death of a man named Forest who was found dead at Daytona, but upon presentation of the facts by Attorney Parkinson, mayor of Daytona, the action was reconsidered, and the clerk instructed to issue warrants for the costs. Pension claims of C. W. Peterson and R. W. Roberts were approved.

A petition from the voters of Holly Hill asking that a new voting precinct be established at that place was received, and it appearing that it was only two miles from Daytona and three miles from Ormond, and no special reason appearing for such a precinct, the matter was laid on the table for the present. County Assessor S. B. Wilson was instructed to prepare and present the board with a statement as to the amounts due the cities and towns for their share on the road tax money for the years 1900 and 1901.

Messrs. S. B. Wilson and F. A. Storer were appointed a special committee to prepare and send to the county clerk a statement of the resources of Volusia County for the use of the Commissioner of Agriculture.

A petition was received signed by a number of voters, asking that an election be called to vote "wet or dry," under the local option law, which was received and referred to the county clerk and supervisor of registration for examination as to its containing the requisite number of names, to be reported at the July meeting.

Commissioner Bond was appointed a special committee to advertise for bids for the building of a road through Deep Creek to connect the DeLand and New Smyrna roads, to be as per specifications in Mr. Bond's possession, bids to be in by the 10th of June, he to have power to reject any and all bids, it being the intention to have the work done before the rainy season sets in if possible. After the examination and approval of the County Treasurer's reports and the payment of the usual bills, the board adjourned.

## Gray Hair

"I have used Ayer's Hair Vigor for over thirty years. It has kept my scalp free from dandruff and has prevented my hair from turning gray."—Mrs. F. A. Soule, Billings, Mont.

There is this peculiar thing about Ayer's Hair Vigor—it is a hair food, not a dye. Your hair does not suddenly turn black, look dead and lifeless. But gradually the old color comes back,—all the rich, dark color it used to have. The hair stops falling, too. \$1.00 a bottle. All druggists.

If your druggist cannot supply you, send us one dollar and we will express you a bottle. Be sure and give the name of your nearest express office. Address, J. C. AYER CO., Lowell, Mass.

## CALL FOR PRIMARY ISSUED.

The Democratic County Executive Committee met at DeLand Monday evening and issued the following call for a primary election:

The Democratic County Executive Committee of Volusia county, Florida, hereby calls a Democratic Primary Election in and for said county, to be held on July 15th, A.
